Co-op Radio Community Partnership Agreement

Co-op Radio supports community groups working for progressive social change. Community Partnership opportunities do not involve a monetary transaction for airtime, and partners may include unions, co-operatives, not-for-profit and non-governmental organizations. We will not accept Community Partnership opportunities from for-profit businesses or government bodies. The specific details can vary as agreed upon between your organization and our Director of Member Services.

Check only the boxes that apply
